Subject: ODOT Supplemental Specification 895/995 Revisions – Downstream Defender

Mr. Scott:

This letter is to inform you that the Office of Structural Engineering, Hydraulics Section has reviewed the Downstream Defender for hydraulics and structural compliance and approved it for use as ODOT Type 1, 3 and 4 Precast Water Quality Structures. We have forwarded the information to the Office of Materials Management for their review. You will be notified of final acceptance or rejection by the Office of Materials Management once their review is complete.

If you have any questions, please contact our office.

Sincerely,

David G. Riley, P.E.
Hydraulics Section Head

QPL ITEM: SS-995

Attn: David Scott

The Office of Material Management has received and **approved** your yearly submittal requesting inclusion onto the Department's Qualified Products List. Your company will be listed on the Department's Qualified Product List (QPL) web page for Items: SS - 995 (**Good until December 31, 2007**). We forward our wishes for your future success in supplying qualified products to the State of Ohio.

Maintaining qualification is your responsibility and it will be revoked for failure to properly follow the yearly re-certification requirements listed in the material description section on the Department's QPL web page for your Item.

The QPL web page may be accessed at <http://www.dot.state.oh.us/testlab>.

If you have any questions or comments, please feel free to contact me at (614) 275-1319.

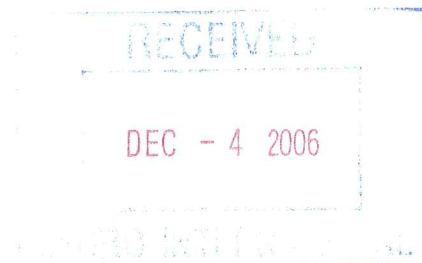

Respectfully yours,

Jeff D. Chandler, P.E.
Structural and Welding Engineer

Subject: First Defense Re-Submission - ODOT Supplemental Specification 895/995
Revisions

Mr. Scott:

This letter is to inform you that the Office of Structural Engineering, Hydraulics Section has reviewed the 6-ft diameter First Defense for hydraulics and structural compliance and approved it for use as ODOT Type 2 Precast Water Quality Structure. We have forwarded the information to the Office of Materials Management for their review. You will be notified of final acceptance or rejection by the Office of Materials Management once their review is complete.

If you have any questions, please contact our office.

Sincerely,
